A grayscale map of the Bordeaux region in France. The map shows major roads, including the RN230 running north-south through the center. A text overlay in bold black font is centered on the map, indicating a road closure. The closure is between two interchanges: interchange 20 (Bègles) to the north and interchange 24 (Tresses/Bergerac) to the south. The map also shows various districts and landmarks such as the Parc des Expositions, Stadium, and several 'Mie' (municipal office) locations. Districts labeled include Bruges, Le Bouscat, Bordeaux-Nord, Carbon-Blanc, and Cenon. The Garonne river is visible winding through the area.
